FOR IMMEDIATE RELEASE

Work to Begin on N-91 West of Ericson

July 19, 2017 (Ainsworth, Neb.) — Weather permitting, work is scheduled to begin August 7 on N-91, from the junction of N-91/N-70, extending 5.15 miles west, Reference Post 72.22 to Reference Post 77.37, according to the Nebraska Department of Transportation.

Werner Construction, Inc., of Hastings, Nebraska has the \$1,700,000 contract for this project, which includes box culvert extension, milling and asphalt paving. The work is expected to be completed late October. There will be a 12-foot width restriction and temporary lane closures, which will be maintained by flaggers and a pilot car.

The Department of Transportation's project manager for this project is Dan Ziska of O'Neill. Motorists can expect delays and are advised to use caution while driving through construction zones.
